

Artist of the Month

Each month in assembly we look at a different artist and their work, children can then respond to this artist by creating a copy of the artist's work, or using the artist's style to create their own ideas.

All entries will be shown at a special assembly. Winners from Key Stage 1 and Key Stage 2, will be randomly drawn from the top entries.

They will win ART MATERIALS!

Entries to be put into the ARTIST OF THE MONTH folder in Mrs Fegan's classroom.
